## OUR NEIGHBORS TABLE

### *Summer Lunch Program*

Our Neighbor's Table (ONT) is offering the Summer Lunch Program to families this year. This program will offer additional breakfast and lunch foods to help feed children who are home from school for the summer.

If you are already registered with Our Neighbors Table, no need to sign you. You will automatically have these extra items with your grocery order each week beginning June 14<sup>th</sup> through September 3<sup>rd</sup>.

*"ONT's Summer Lunch Program (SLP) was designed to offer families additional breakfast and lunch foods to help feed kids who are home from school for the summer. It's estimated to cost an extra \$300 to provide the meals a child would have received at school, which combined with camp or childcare costs can be overwhelming for so many families. The SLP provides a solution and has been helping ease parents' summer worries for over a decade. There is no additional registration needed to participate in the SLP. Every ONT family with children in their household will automatically have extra breakfast, lunch and snack items to add to their grocery order each week beginning June 14 through September 3. Families in our region who aren't current guests can register with ONT anytime on their website or call 978-388-1907 to start shopping weekly. "*

If you are not registered, you may register online at [ONT New Guest Registration - Our Neighbors' Table \(ourneighborstable.org\)](http://ourneighborstable.org).

***Have a safe and healthy summer!***
